**LEGAL NOTICE
INVITATION TO BID**

The Village of Rhinebeck will receive sealed bids on the following projects:

Asher Dam Storm Damage Repair

Scope of Work:

Asher Dam located at Crystal Lake, Rhinebeck N.Y. has sustained storm damage to the face of the dam and the Landsman Kill stream side slopes. Proposed work includes the repair of the dam parapet support stones with grouted stone masonry, removing debris and stone fill from the dam face, reshaping the northerly side slope with existing and new heavy stone fill, placing grouted stone fill along the northerly parapet overflow area, and installing ladder access to the installed southerly gate valves.

Route 9 Pedestrian Bridge Storm Damage Repair

Scope of Work:

Route 9 Pedestrian Bridge over the Landsman Kill, located just west of the Asher Dam has sustained storm damage to its side spans, approach sidewalks, and upstream side slopes. Proposed work includes repair of the scoured westerly side slopes, underpinning of the approach sidewalk spans, grouted stone masonry abutment and pier repair, vertical alignment adjustment of side spans and approach walk, placing rubble stone masonry walls on approach fills, resetting bridge rail approach posts.

Contract plans and specifications are available at the Village of Rhinebeck Office.

Please include copies of your liability and worker's compensation insurance with the submittal of your bid as well as a non collusion certificate.

Bids specs area available from the Village Clerk and bids for this project are to be at the office of the Village Clerk by 4:00 pm on Tuesday, May 13, 2014. Bids will be opened at the Village Board meeting that same date, commencing at 7:00 pm. All bids must include a non collusion certificate. The Village Board of Trustees reserves the right to reject all bids.
